The Heavy Horse section was very successful as usual. A sub committee was formed to organise the section comprising members from all parts of the State who had input in the classes and running of the events.

Crofters Weaving Mills, from Spring Ridge, New South Wales donated a Woollen Rug for the Grand Champion Heavy Horse and a Woollen Scarf for the Senior Heavy Horse Handler as prizes, the rug was won by Ian Hodgetts and the scarf by Gavin Griffin.

Although several exhibitors were unable to attend or participate due to illness and other arising problems it didn't stop others helping out with their animals.

Judge Sally Loney came from Benalla, Victoria and was accompanied by a past Judge Louise Beer of Riddells Creek, Victoria. These ladies presented a workshop on the Sunday morning where participants were treated to a most interesting question and answer session.
