Editor's Report

I can't believe another month has flown past! It really is true that time flies when you're having fun!

All reports are that the **Benalla Driving Day** was again a great success. Classes were very well supported, with a number of classes having 11 entries, & a very impressive 17 entries in the Novice Horse Class. There were also a good number of general public who came for a look and to enjoy the day. Congratulations to all involved in the planning and to those that participated in whatever capacity on the day to ensure it was such a great success!

Thanks to those that have submitted photos and results – please keep them coming as they are wonderful to share. I don't get the opportunity to get to as many events as I would like, so would really appreciate members sending through reports &/or photos to share through our Newsletters.

The next **CCHS Vic Branch Committee Meeting** will be held early July. If you have anything you would like the Committee to discuss please forward it through by the 12 June 2015.

From time to time we receive requests from individuals and tourist/event organisers looking for members with horses & carts/drays that would be willing to **participate in tourist or promotional events**. If you would like the opportunity to make use of your horse & vehicle, please let me know & I will keep your details in a register. I will then forward on any requests we receive to those on the register to consider.

Please remember that nominations for 2015 Royal Melbourne Show are due this **Monday, 1st June**. Entries need to be completed online - www.rasv.com.au/Events/RMS
